

# KNOT ALONE - VOLUNTEER INFORMATION

## WHO WE ARE

Knot Alone is a community nonprofit 501c3 that brings love, hope, and encouragement to families impacted by cancer through the power of music.

Once a month, our choir visits up to 3 families at their homes, sings Psalm 23, delivers a care basket, and reminds them: You are not alone.

We're made up of volunteers from across the tri-state who simply want to serve families walking through one of life's hardest seasons.
